Deep Stretch is an active stretching class that targets primary muscle groups surrounding the hips, hamstrings and upper back. Living in a forward facing, seated world, these areas tend to be tight for everyone. Tight muscles can cause imbalance and pull the body out of alignment. In this class you can expect a mixture of gentle flowing movement guided by the breath coupled with deep stretch. During flows you can expect to create heat which is then followed by relaxing poses held for an extended period. Holding poses for longer periods of time and focusing on breath gives the body time to fully relax and open. This class is led by RYT200 certified teacher, Jamie Strong. Every Friday at 6:00pm Free to Zenith members \\ \$10 drop-ins Full Schedule: <http://zenithclimbing.com/yoga/>

Holding poses for longer periods of time and focusing on breath gives the body time to fully relax and open. This class is led by RYT200 certified teacher, Jamie Strong. 09/14 – 2019 Me Too Springfield Rally @ Park Central Square. Saturday @ 4 pm. Over ten years ago, activist Tarana Burke identified the phrase "Me too" as a powerful movement that could help women. She wanted to do something more to help women and girls of color who have experienced sexual violence. Today, the viral hashtag has called much attention to the epidemic of sexual assault and harassment in our society affecting all communities. Tarana Burke says, "It's beyond a hashtag. It's the start of a larger conversation and a movement for radical community healing." The Springfield community is coming together on September 14th in solidarity to further support and process the eradicating of sexual assault and harassment in all its forms. This rally will be a space dedicated to conversations on the impact and pervasiveness of sexual violence, and action to eliminate this issue for both men and women. Our goals are awareness, community, and action. Today in our country- 1/6 women and 1/33 men will be sexually assaulted in their lifetime. We also recognize that these numbers are disproportionately higher for the LGBTQ community, people with disabilities, and racial minorities. Because of this, this event is meant to be inclusive to all people and communities including: people of color, LGBTQ people, people with disabilities, and all religious-affiliated people/groups. We also welcome all advocacy organizations, all community leaders, and all community members to come and participate. This rally will be bipartisan, and family/pet friendly. It will include music, spoken word, shared stories of hope, a community for sexual assault survivors, a "What Were You Wearing?" exhibit, a self-defense demo, and speakers. Signs are welcome! This rally is meant to show solidarity with the #metoo survivors of the Springfield, MO area. We know this doesn't make us a medical professional, but it does give us the skills to help keep someone safe until they can get expert medical care. Mental Health First Aid is the same: it helps all of us learn a simple process to help keep people who are experiencing a mental health emergency safe until they can get expert medical care. Recently, the Community Foundation of the Ozarks completed a major study of mental health and substance abuse in Springfield, and the results are staggering. The prevalence of mental health emergencies in our community outpace our region, our state, and our nation. One of the best ways we can help is by learning to recognize the signs of a mental health emergency and to know what to do to help a friend or loved one get the help they need. Mental Health First Aid Training is an evidence-based, proven method that can change and save lives. Spaces are limited, so register today!

In this class you can expect a mixture of gentle flowing movement guided by the breath coupled with deep stretch. During flows you can expect to create heat which is then followed by relaxing poses held for an extended period. Holding poses for longer periods of time and focusing on breath gives the body time to fully relax and open. This class is led by RYT200 certified teacher, Jamie Strong. Every Friday at 6:00pm Free to Zenith members \\ \$10 drop-ins Full Schedule:
