From Linked In- Working from video on home strategies for Professionals Juggling work, home and family

<https://www.surveymonkey.com/r/DESE-School-Issues>

Department of Elementary and Secondary Education, Parents can use the Survey Monkey to discuss school issues such as situations with teachers, principals, school policies, extra curricular activities, school board members, IEP concerns and students who are currently in a housing crisis. It gives links to resources, contacts and procedures.
