

### **About Springfield's crisis cold-weather shelters**

Springfield's overnight crisis cold-weather shelters operate between Nov. 1 and March 31. Openings are based on whether the National Weather Service forecasts overnight (10 p.m.-4 a.m.) temperatures at 32 degrees or below. Shelters announce by 2:30 p.m. each day if they will be open that night. East Sunshine Church of Christ, 3721 E. Sunshine, First Unitarian Universalist Church, 2434 E. Battlefield, Hope Church, 2121 S. Blackman Road (through Jan. 31) and The Salvation Army's Harbor House serve as crisis cold-weather shelters for men while Grace United Methodist Church, 600 S. Jefferson, serves women.

Veterans Coming Home, 806 N. Jefferson, has extended its hours to serve as an evening warming site and as the pick-up site for transportation via City Utilities buses to the men's shelters. Women can access shelter at Grace UMC by City Utilities bus line 22.

Crisis sheltering for children is available year-round through Isabel's House and Great Circle.
