If your kids can handle some scary decorations, lights, and sounds, they will have fun. If you find that upon arrival it is too much for your child, PLEASE let us know. A portion of each sale from the Mini Art Show goes to a charity. The majority of the works in this show will benefit Queen City Rock Camp. Queen City Rock Camp will also be providing musical entertainment for our opening and closing events. When Rosette Studios was a brick and mortar store in downtown Springfield, MO, the Mini Art Show was an annual gallery show at that gallery. The Mini Art Show had it's start with the former owners of the business under the name "Arts & Letters." It was a successful annual show that featured small artworks the size of a sticky note. When Rosette Studios took over, they changed some things but kept the heart of the show, making Artwork accessible to EVERYONE. Participation was open to anyone and they had children as well as veteran artists bring in mini masterpieces. They had thousands of pieces up every year and it was a treat to watch people look through all the Artists and discover their favorite pieces. When the brick and mortar store closed for Rosette Studios they moved the Mini Art Show to an online location (<http://www.miniartshow.com/>). From years past, they have tons of amazing abandoned Artwork. They started with adding all that work for your browsing enjoyment and for you to be able to purchase these works. ANYONE is able to participate as long as they follow the guidelines. When Rosette Studio installed our amazing sign vinyl at the new building we mentioned our love of the Mini Art Show and the physical joy of browsing a wall of tiny masterpieces for that special piece to add to our personal collections. After some art bonding and planning it was decided that Creava Studio will be the host of an annual physical display of the Mini Art Show. Starting November 1st through January 31st the Mini Art Show will be on display and for sale at Creava Studio. If you would like to browse the collection or seek out your new piece to take home, we are open 11 to 5 - Tuesday until Saturday. We will not be selling any work out of the shop until the show opening which will take place Nov 5th from 6 – 9, but you are welcome to come pick your pieces before that!

This exhibition will include paintings, mixed media works, textiles, sculpture, and pottery juried by Nathan Taylor, J. Kent Martin, and Stephanie Cramer. We hope you join us for this interactive experience. The opening reception will be during First Friday Art Walk, November 5th, 6-10pm, however the show will remain on view through November 27th during normal business hours.

Set Yourself Free: A Sound Healing Experience with Jann Baker @ Sage Studio Yoga and Wellness at 3 – 4:30 pm. We've been told to love ourselves. "If you would just love yourself." But we never have been asked why we don't. We talk about being worthy but never ask why we question if we are. I believe the root is a core belief of not being enough. I will be enough when..... (fill in the blank.) Everything will be perfect when ... (fill in the blank.) And THEN I will be worthy of love. But we are enough NOW. In this moment, we are perfectly and divinely unique. Perfectly and divinely loved. You are enough exactly how you are without changing one thing. Join me on Sunday as we narrow down what we really believe about ourselves. We will identify where we need to adjust and do a ritual to

begin anew with Gong and Crystal Singing Bowls. What you need to bring: • Pen and Paper, • Mat or Blanket, pillows ... whatever you need to be comfortable and relaxed on the floor. Wear your pajamas if you want to, • A willingness to let go and set yourself free! This experience is limited to 15 people. You must pre-register to attend. \$40 www.jannbaker.com/event-details/set-yourself-free-a-sound-healing-experience-with-jann-baker-2

Ghostbusters Live Theater Events (multiple events each night) @ 1984 Arcade, Spfd. from 4-11 pm. Everything fun and scary about 80s movies and 80s themes! We are super excited about the upcoming "Ghostbusters: Afterlife" movie coming out on November 19th! In celebration of this long-awaited movie we will transform 1984 into a "haunted house" focused on FUN scary for everyone. We will transform the entire arcade into a "fun" haunted house. Decorations, lights, sounds. We are not planning on "jump scares" or anything that appears bloody or gory. Our focus is scary fun more than horror. "Scary" is somewhat subjective. Bringing kids is up to each parent/guardian to decide. Our suggestion is that kids younger than 8 years old, be next to an adult at all times. (Our usual advice even when we are not "haunted." If your kids can handle some scary decorations, lights, and sounds, they will have fun. If you find that upon arrival it is too much for your child, PLEASE let us know. We will HAPPILY refund your admission and want you to come back once all the ghosts and ghouls have cleared out. The Ghostbusters will ultimately clear out the place of all spirits on November 14th.

Franksgiving @ 1333 E Loren St, Spfd by Frank Bailey. The grand return of Franksgiving is coming this year after coronavirus wiped out my holiday gatherings last year. Some of you are new to this, so I'll explain how it works. It takes place during the weekend so as many people aren't working as possible and there is a noon meal and a dinner meal in order to accommodate which time is more convenient for guests, although you can come to both if you want. Lunch is hamburgers and fairly non traditional Thanksgiving food. Dinner is turkey, cranberry sauce, stuffing, and mashed potatoes in the classic Thanksgiving style. Dessert is a rainbow cake that Amycakes used to make and that I will have to see if HyVee can make a version of. Franksgiving was created with the idea that it may one day have to replace family Thanksgiving for me as my parents' generation dies off and my own all make their own households. It was also created with the idea that others might be in that position now or in the future and that it could serve as a traditional Thanksgiving for them when none other is available to them. The rainbow cake symbolizes the pluralism of the event. All are welcome.
